We are turning 100! We all love to celebrate our birthdays and those of friends and family. Have you ever thought about celebrating the birthday of your town? We have a unique opportunity to do just that! Port Matilda turns 100 on December 26, 2025. We are planning to hold the celebration on Sunday, September 21, 2025, while the weather is still nice to enjoy the activities.

The Borough Council is seeking interested residents and representatives from local businesses, organizations, and churches to serve on an organizational committee to plan and execute a celebration honoring the town. Are you interested in planning a party to be remembered?
