New Pollinator Garden

Port Matilda Borough Council would like to thank Girl Scout Josie Varrassa for all her hard work in creating a pollinator garden at our Community Park in the open area beyond pavilion #3 as her Gold Award project. The gardens are planted with perennials that will attract pollinators such as bees and butterflies. Don't forget to check out the informational sheets in the garden's mailbox to learn more.

ZONING OFFICER NEEDED

The Borough is currently looking to fill the position of zoning officer. This is a part-time, as needed, paid position that reports directly to the Borough Council. Please submit a resume through the Borough office during normal business hours.

Zoning permit applications and questions can still be directed to Lynn Snyder at (814) 222-3050 at this time.
